About Bob Hyatt

Bob Hyatt has worked in the specialty chemical and pipeline industry for 35 years. He completed his Civil Engineering degree at Ohio State in 1977 with special interest in hydraulics, as well as, spending four years as a member of the Buckeye Football Team. Bob spent six years with Nalco Chemical, 20 years with Baker Petrolite and the last 9 ½ years as principal owner, along with his brother Bill, of Pipe Line Unique Services, LLC (PLUS). He is a registered P.E. and has used his degree and industry experience to become a recognized authority in pipeline hydraulics. Bob grew up in Lagrange, Ohio, gradually moved south to Huntington, WV, Baton Rouge and Houston over the years. Based on this progression, he figures to retire in Mexico City.

He and Stephanie will be married 30 years on the 17th. They have three children and five grandchildren. He plays golf, tennis and is an avid woodworker.

Bob is speaking today on going “From the Football Field to the Field of Engineering”.
